

Earth Week Event

DCV (Wendy Charlton pictured left) along with Asset Investment Recovery (AIR) did a fabulous job of representing both areas at the "See More at Seymour". This event showcased the tools, technology and furniture that support LWS.

DCV showcased some of our favourite eco friendly products. A great interest was shown in our new [compostable garbage bags](#) recently brought into stock.

AIR was well represented by Darryl Hansen talking about their strong commitment to environmentally and socially responsible management practices. Some of the topics discussed were Electronics Reuse/Recycle, Secure Media Destruction and the Return-it Program.

On April 16th Lynn Swinton also spent some time with our friends at the Ministry of Transportation exhibiting a variety of interesting new eco products and discussing ways to reduce your footprint by ordering online from our green section.

Remember that every day should be Earth Day. Learn about the simple, little changes you can make to improve environment sustainability, and put these into practice every day. And of course, always check the DCV's [Green Connection](#) category first when buying office products to find the most eco-friendly option.

Here's how DCV Celebrated **Earth Week**

Our staff celebrated Earth Day by hosting a barbeque and watching the Green Team Film Fest videos.

Green Tip:

Wait for the storm to pass! Don't fertilize before a rain storm. Your fertilizer - along with your money - can just wash off your lawn and down the storm drain. Fertilizer runoff can pollute rivers, lakes, and bays, and cause problems in recreational areas or fishing grounds. Check the weather forecast before you head out, and wait for the storm to pass.

We are in the process of developing our new Distribution Centre Victoria 2013/2014 catalogue. Look for it this coming fall...

For all she has done, for all she does,
for all she has yet to do... **celebrate** her.

Mother's Day Gift Giving Ideas

Stainless Steel Coffee Mug/Hummingbird

Beautiful stainless steel interior, matte exterior, travel mug secures tightly with lid and comes individually boxed for easy gift giving.

Product #: [9999847209](#) Price: \$14.95

Pearl Drop, Sterling Silver and Diamond Earrings

One round diamond is set in solid sterling silver at the top of each of these earrings. A faux white pearl cascades down and gives an elegant regal earring. These earrings have a wonderful lysafe backing, as the earring post rests inside a lever back. Just gently push the post up and the lever releases the earring.

Product #: [9999847131](#) Price: \$69.95

Pearl Drop, Sterling Silver and Diamond Pendant

One small round Canadian diamond is set in sterling silver at the top of this pendant. The sterling silver 18 inch box chain is the perfect length to show off this classic pendant. Boxed for presentation. Length of the pendant is approx 22mm.

Product #: [9999847132](#) Price: \$74.95

Hummingbird Brooch

Handcrafted hummingbird brooch, made of lead-free, high-quality pewter. The hummingbird is a symbol of good fortune in B.C. First Peoples culture. Authentic Pacific Coast native design, handcrafted in Canada. Presented in a gift box.

Product #: [9999840736](#) Price: \$16.95

The phrase **"working mother"** is redundant.

Reminders & Helpful Hints:

1. Warehouse Asset Management (WAMS) is our managed inventory division. Its purpose is to provide storage, manage and distribute products on behalf of government ministries, broader public sector and the general public.

Some of the products housed and distributed are government forms, ministry brochures and publications. An example would be "Healthy Eating for Seniors" guide or information on the 811 Healthlink B.C.

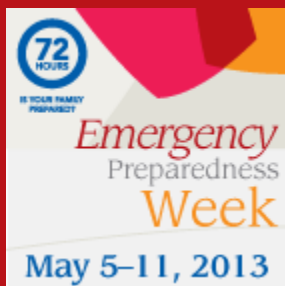

Any questions can be directed to team lead Sean Johnson via email Sean.Johnson@gov.bc.ca or phone 250 952-4008.

2. Toners: We understand sometimes there is a need to return your unused toner and we do accept them up to six months after purchase.

They will not be accepted after the above time period due to shelf life and unknown storage conditions which can affect the product and its resale value.

3. Note: DCV orders under twenty-five dollars are subject to a five dollar shipping fee.

Are you **prepared?**

Emergency Preparedness Week is an annual event that takes place each year during the first full week of May. Each year, thousands of people face emergency situations that could change their lives forever. Don't be caught off-guard. Know the hazards in your area and take the time to assemble your family emergency kit.

Although Distribution Centre Victoria does not sell emergency kits, our friends at the Product Distribution Centre Vancouver have a large selection to suit your every need.

Here's where to order to get you on the road to safety: www.pdc.gov.bc.ca

Congratulations Cindy... our **earth friendly** expert!

Cindy from (FLNR) in Penticton has won new compostable bags in our Earth Day trivia contest by correctly answering all our skill testing questions.

Way to go Cindy!
