INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Board of Directors of Grand Forks Public Library Association

We have reviewed the accompanying financial statements of Grand Forks Public Library Association (the organization) that comprise the statement of financial position as at December 31, 2021, and the statement of operations and accumulated surplus and changes in net financial assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards (PSAS), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Grand Forks Public Library Association as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with PSAS.

Notes to Financial Statements

Year Ended December 31, 2021

1. PURPOSE OF THE ORGANIZATION

Grand Forks Public Library Association (the "Library") is a not-for-profit organization operating under the provisions of the Library Act of British Columbia [RSBC 1996]. As a registered charity the organization is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

The mission of the Library is to open doors to a world of information, education and recreation, thereby enhancing the economic, social and cultural vitality of the community.

The Library is economically dependent on the Regional District Kootenay Boundary (RDKB) to provide operating grants to pay the Library operational expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian public sector accounting standards (PSAS) and, in management's opinion, with consideration of materiality and within the framework of the following accounting policies:

Revenue recognition

Restricted transfers from governments are deferred and recognized as revenue in the year in which the stipulations are met. Unrestricted transfers are recognized as revenue when received.

Donations and fundraising received for a specific purpose are deferred and recognized as revenue in the year in which the stipulations are met. All other donations and fundraising are recognized as revenue when received.

Miscellaneous recoveries and rentals are recognized as revenue upon receipt.

Fines and fees are recognized as revenue upon receipt.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Significant areas requiring the use of management estimates relate to the determination of the useful lives of tangible capital assets. Actual results may differ from the estimates.

Pension contributions

The organization has a pension agreement with the Municipal Pension Plan which is a defined benefit multi-employer plan. These contributions are expensed as incurred.

Cash and cash equivalents

Cash includes cash and cash equivalents. Cash equivalents are investments in redeemable term deposits, with terms of one year or less. The carrying amounts approximate fair value.

Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They may have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(continues)

Notes to Financial Statements Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost of the tangible capital assets is amortized on a straight-line basis over the estimated useful lives of the assets as follows.

Books and other media	10 years
Equipment and furnishings	10 years
Computer equipment	5 years
Leasehold improvements	10 years
Computer software	1 year
Building signs	5 - 10 years

Amortization commences when the asset is put into use. Amortization in the year of acquisition is at one-half of the normal rate. No amortization is taken in the year of disposition.

Contributed tangible capital assets are not recorded and no donation receipt is issued. There were no contributed tangible capital assets in the current or prior year.

Non-statutory reserves

Non-statutory reserves are amounts set aside from past and current operations and are not governed by bylaw.

Financial instruments

Financial assets include cash, redeemable term deposits, and accounts receivable and are reported at amortized cost. Financial liabilities include accounts payable and deferred income and are reported at amortized cost.

7. DEFERRED CONTRIBUTIONS

Funds were received for the purchase of social justice themed documentaries and for the purchase of a legal collection. The deferred contributions represent funds unspent. These restricted funds are included in the cash and cash equivalents amount.

8. TANGIBLE CAPITAL ASSETS

		Cost	 cumulated nortization	 2021 et book value	N	2020 let book value

	<u>\$</u>	1,327,812	\$ 1,012,255	\$ 315,557	\$	316,534

9. MUNICIPAL PENSION PLAN

The organization and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula.

The most recent valuations for the Plan, based on the December 31, 2018 Actuarial report, indicated that there is a funding surplus and that the indexing of 2.15% per year is sustainable in the long term. A new valuation occurs every three years, with one performed as at December 31, 2021. This report was not yet available as of the financial statement date.

Employers participating in the Plan record their pension expenses as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost the individual employers participating in the Plan.

10. COMMITMENTS

The Library entered into a one year lease agreement with the City of Grand Forks for the space occupied as the Grand Forks Public Library. The annual commitment under this agreement is \$13,000 per year payable in two instalments in June and December of each year. At any time after January 1, 2022, both parties will, by written notice, schedule to amend the amount of the agreement. Should a new rate not be reached prior to June 1, 2022, the rate of \$15,000 per year shall apply. As at the financial statement date, the agreement has not been amended.
