Forest & Range
Consultation and Revenue Sharing Agreement (FCRSA)
(the "Agreement")**

**Between:
TI'azt'en Nation**

As Represented by
Chief and Council
(TI'azt'en Nation)

And

Her Majesty the Queen in Right of the Province of British Columbia
as represented by the Minister of Aboriginal Relations and Reconciliation
("British Columbia")

(Collectively the "Parties")

WHEREAS:

- A. In 2005, British Columbia and the First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of BC Indian Chiefs entered into a New Relationship which states that: "We agree to a new government to government relationship based on respect, recognition and accommodation of aboriginal title and rights...we agree to establish processes and institutions for shared decision-making about the land and resources and for revenue and benefit sharing, recognizing, as has been determined in court decisions, that the right to aboriginal title "in its full form", including the inherent right for (TI'azt'en Nation) to make decisions as to the use of the land and therefore the right to have a political structure for making those decisions, is constitutionally guaranteed by Section 35".
- B. The Parties have signed the Transformative Change Accord to achieve the mutual goals of closing the social and economic gap between First Nations and other British Columbians.
- C. In the spirit of the New Relationship and the Transformative Change Accord, British Columbia and TI'azt'en Nation have undertaken a shared commitment to strengthening relationships on a government-to-government basis, and on focusing efforts to close the socio-economic gaps between Aboriginal and non-Aboriginal people.
- D. This Agreement, and the benefits flowing from it, will assist TI'azt'en Nation in achieving progress towards the goals referred to in the previous recitals and in particular help to address the conditions that contribute to economic challenges among Aboriginal people and to ensure that they can more fully benefit from and contribute to British Columbia's prosperity.

- E. British Columbia recognizes that Tl'azt'en Nation has a unique history and its own culture and traditions that help to define it, and that these characteristics, along with its relationship with British Columbia, form an important context for the cooperative efforts needed to improve the Tl'azt'en Nation community's well-being.
- F. Tl'azt'en Nation has Aboriginal Interests within its Traditional Territory and British Columbia intends to consult with Tl'azt'en Nation and provide accommodation, as appropriate, with respect to impacts arising from forest and/or range resource development within Tl'azt'en Nation Traditional Territory.
- G. Tl'azt'en Nation intends to fully participate in any consultation or information sharing with British Columbia or a Licensee in relation to forest and/or range resource development activities proposed within the Tl'azt'en Nation's Traditional Territory that may impact Tl'azt'en Nation's Aboriginal Interests.
- H. This Agreement is intended to assist in achieving stability and certainty for forest and/or range development within the Traditional Territory of Tl'azt'en Nation which will enhance the ability of the forestry and ranching industries to exercise timber harvesting and grazing rights in a timely, economic, and environmentally sustainable manner while longer term interests of Tl'azt'en Nation are addressed through other agreements or processes.

- 4.2 British Columbia will use the map of Tl'azt'en Nation's Traditional Territory used in the *Forest and Range Opportunity Agreement* which map will be set out in this Agreement as Appendix A, unless this is the first such agreement between British Columbia and Tl'azt'en Nation in which event Tl'azt'en Nation will provide a hard copy map of its Traditional Territory and a digital copy of the Traditional Territory boundary conforming to current government mapping standards, which hard copy will be set out in this Agreement as Appendix A.
- 4.3 Tl'azt'en Nation agrees that British Columbia may share the map of the Traditional Territory as set out in Appendix A with another provincial government agency and/or a licensee responsible for information sharing associated with a decision that is subject to this Agreement.

- 4.4 The Parties agree that in the event Tl'azt'en Nation enters into a SEA or RA with British Columbia after the Effective Date which includes a consultation process which addresses forest and range management and decision making, the consultation process set out in the SEA or RA will supersede and replace the consultation process set out in this Agreement for the term of the SEA or RA if the SEA or RA so provides; and in any such case, if the SEA or RA terminates prior to the end of the Term, the Parties agree that the consultation process set out in Appendix B of this Agreement will apply for the remainder of the Term.

- 5.3 Tl'azt'en Nation agrees that during the term of this Agreement, if the consultation process set out in this Agreement is followed, British Columbia has adequately consulted and has provided an accommodation with respect to potential infringements of Tl'azt'en Nation's Aboriginal Interests in the context of Operational Decisions and Administrative Decisions that British Columbia will make and any forest or range practices that may be carried out under an Operational Plan in the Traditional Territory.

- 6.1.4 The annual report referred to in section 6.1.3 will be provided to British Columbia within 120 days of the end of each BC Fiscal Year.
- 6.1.5 Notwithstanding the termination or expiry of this Agreement, Tl'azt'en Nation or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.
- 6.2 If Tl'azt'en Nation requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries where Tl'azt'en Nation has entered into an SEA and/or RA with British Columbia, up to \$35,000 annually of the Revenue Sharing Contribution will be used by Tl'azt'en Nation for that capacity during the Term of this Agreement.

7.0 Security Deposits

- 7.1 In recognition of Tl'azt'en Nation entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Tl'azt'en Nation (or a legal entity controlled by Tl'azt'en Nation) and British Columbia.
- 7.2 Tl'azt'en Nation agrees that British Columbia may apply any payment that Tl'azt'en Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Tl'azt'en Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Tl'azt'en Nation (or a legal entity controlled by the Tl'azt'en Nation) and British Columbia.
- 7.3 Prior to British Columbia applying any payment to satisfy unfulfilled Tl'azt'en Nation financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify Tl'azt'en Nation of the unfulfilled financial obligation(s).

8.0 Stability for Land and Resource Use

- 8.1 Tl'azt'en Nation will respond immediately to any discussions sought by British Columbia in relation to any acts of intentional interference by

members of Tl'azt'en Nation with provincially authorized forest and/or range activities and will work co-operatively with British Columbia to assist in resolving any such matters.

- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and Tl'azt'en Nation.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

10.0 Suspension and Termination

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that Tl'azt'en Nation is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 or 10.3 of this Agreement, or where Tl'azt'en Nation has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between Tl'azt'en Nation and British Columbia. Upon making any such determination, British Columbia will provide notice to Tl'azt'en Nation of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by Tl'azt'en Nation is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify Tl'azt'en Nation that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 If, during the term of this Agreement, Tl'azt'en Nation challenges or supports a challenge to an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that, contrary to section 5.2, the Revenue Sharing Contribution provided for in section 3.0 of this Agreement does not provide an accommodation for impacts on Tl'azt'en Nation's Aboriginal Interests then, without limiting any actions that may be taken by British Columbia, the Revenue Sharing Contribution provided for in section 3.0 may be suspended or this Agreement may be terminated by British Columbia.
- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by

one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.

- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

11.0 Term

- 11.1 The term of this Agreement commences on the Effective Date and, unless terminated earlier in accordance with any of the provisions hereof, will end on the day immediately before the third anniversary of the Effective Date.

12.0 Renewal of the Agreement

- 12.1 Prior to the expiry of the Term, if the terms and conditions of this Agreement are being met, British Columbia and Tl'azt'en Nation will, if each party has received such authorizations as it may require, begin negotiations for the renewal of this Agreement or for a new agreement.

APPENDIX B

Consultation

On Operational and Administrative Decisions and Operational Plans

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Tl'azt'en Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Tl'azt'en Nation's Aboriginal Interests within the Traditional Territory.
- 1.2 Tl'azt'en Nation agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to Tl'azt'en Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to Tl'azt'en Nation by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of Tl'azt'en Nation during the current fiscal year, British Columbia will notify Tl'azt'en Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Tl'azt'en Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory.
- 1.9 If no response is received from Tl'azt'en Nation within the timeframe set out in section 1.10, then British Columbia may conclude that Tl'azt'en Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to Tl'azt'en Nation during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with Tl'azt'en Nation, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs Tl'azt'en Nation they will not be sending out information.	British Columbia notifies on an annual basis which decision(s) fall in this category. Tl'azt'en Nation can request more detail if they wish.
3. Notification	Notify in writing Tl'azt'en Nation about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Tl'azt'en Nation base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.

Level	Description	Intent
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Tl’azt’en Nation of the final decision where requested by the Tl’azt’en Nation.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Tl’azt’en Nation with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed Aboriginal Interest information is shared that would suggest a different consultation level.
- 1.12 Tl’azt’en Nation agrees that British Columbia is not obligated, unless requested by the Tl’azt’en Nation, to inform the Tl’azt’en Nation of the Delegated Decision Maker’s decision for decisions on which the consultation level has been level three (3) or lower.
- 1.13 If the Parties cannot agree upon which consultation level in section 1.10 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Tl’azt’en Nation on the basis of British Columbia’s consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous Fiscal Year's public accounts of British Columbia, a summary document will be prepared for the Fort St James, Nadina and Vanderhoof Resource Districts forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 Fiscal Years. An average amount over 2 years will be calculated for the Fort St James, Nadina and Vanderhoof Resource Districts.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Tl'azt'en Nation's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to Tl'azt'en Nation's Traditional Territory will be calculated by determining the percent of Tl'azt'en Nation's Traditional Territory that falls within the Timber Harvesting Land Base in the Fort St James, Nadina and Vanderhoof Resource Districts, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to Tl'azt'en Nation as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, Tl'azt'en Nation will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Tl'azt'en Nation's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.
- 2.2 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that a transition to revenue sharing based entirely on Forest Revenue will be phased in over the term of the Agreement.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Traditional Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Tl'azt'en Nation in any given full year under the *Tl'azt'en Nation Forest and Range Opportunity Agreement* ("the Annual Amount") and applying the following percentages to that Annual Amount:
 - 3.2.1 2013/14 BC Fiscal Year: 50 percent;
 - 3.2.2 2014/15 BC Fiscal Year: 45 percent;
 - 3.2.3 2015/16 BC Fiscal Year: 40 percent; and
 - 3.2.4 2016/17 BC Fiscal Year: 0 percent.
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation for BC Fiscal years 2014/15 and 2015/16 under section 3.1 provides:
 - 1. an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *Tl'azt'en Nation Forest and Range Opportunity Agreement*, then the Tl'azt'en Nation shall only receive the annual payments described by the Revenue Sharing Transition Calculation in section 3.1 for BC Fiscal Years 2014/15 and 2015/16;
 - 2. an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *Tl'azt'en Nation First Nation Forest and Range Opportunity Agreement*, then the Tl'azt'en Nation shall only receive an annual payment for BC fiscal Years 2014/15 and 2015/16 that is equal to the annual payment received under the *Tl'azt'en Nation Forest and Range Agreement*.
