

How to use this form:

- A landlord must use this form to notify their tenant(s) of changes to the rules that govern the operation of a manufactured home park ("park rules") when there is a park committee.
- If there is no park committee, a landlord must use Form #RTB-56A: Notice of Manufactured Home Park Rule Change—No Park Committee.
- The landlord must attach the new version of the park rules to this Notice. The park rules must be written in 12pt font size and using a common, easy-to-read font. The landlord must also attach records of the park committee's vote to change park rules.
- A landlord can only give one form #RTB-56B to their tenants each year. All changes that will be made to the park rules must be identified in the same Notice.

Important Information about Park Rules

- A landlord can establish and change park rules. Park rules need to be reasonable and do one of the following things:
 - Promote the convenience or safety of tenants,
 - Protect and preserve the condition of the park or the landlord's property,
 - Regulate access to a service or facility, or
 - Regulate pets in common areas.
- Park rules cannot breach the *Manufactured Home Park Tenancy Act* (MHPTA) or important terms of a tenancy agreement. Park rules are legal only if they apply to all tenants in the park and are clear enough that tenants know how to comply with them.
- A park committee can vote to change park rules. There is no limit on how often a park committee can change park rules. If a park committee votes to change the park rules, the landlord must give tenants at least three full months notice of park rule changes.
- A landlord must serve this Notice in accordance with the MHPTA. Learn more: www2.gov.bc.ca/gov/content/housing-tenancy/residential-tenancies/during-a-tenancy/communication#serve
- If a tenant feels that park rules contravene the MHPTA or their tenancy agreement, they can ask the Residential Tenancy Branch for help.
