

Using your Title Overlap Report to understand Federal Transfer of Administration and Control Interests using the Integrated Land Resource Registry.

Your Title Overlap Report (TOR) lists Federal Transfer of Administration and Control information as numbers associated with an Interest Parcel SID (spatial Identifier). Use this SID in the ILRR (Integrated Land Resource Registry) to find out more information on the parcel.

Logging on to the ILRR

Mining clients using Mineral Titles Online will have a Business BCeID.

Click on **Logon to ILRR** under External Business Users and enter your corresponding BCeID user id and password.

Note: If you do not have a BCeID, you can <u>register for a BCeID account</u> that will allow you to have access to multiple online government services and will provide convenience, security, and privacy.

You can still access ILRR as a Guest User but you may have limited access to the data available.
