(the "Chawathil")

And

Her Majesty the Queen in Right of the Province of British Columbia
As represented by the Minister of Forests
(the "Government of British Columbia")

(collectively the "Parties")

Whereas:

- The Chawathil has Aboriginal Interests within its Traditional Territory.
- The Parties wish to enter into an interim measures agreement in relation to forest resource development activities and related economic benefits arising from this development within the Traditional Territory.
- The Government of British Columbia intends to fulfil any responsibility it has to consult and to seek workable accommodation with the Chawathil on forest resource development activities proposed within the Traditional Territory that may lead to the infringement of the Chawathil's Aboriginal Interests.
- Chawathil agrees to participate in any consultation initiated by the Government of British Columbia or a Licensee, in relation to forest resource development activities proposed within the Traditional Territory, that may lead to an infringement of Chawathil's Aboriginal Interests.
- The Parties have an interest in seeking workable interim accommodation of Chawathil's Aboriginal Interests where forest resource development activities are proposed within the Traditional Territory that may lead to the infringement of Chawathil's Aboriginal Interests.

- The Government of British Columbia and the Chawathil wish to resolve issues relating to forest resource development activities where possible through negotiation as opposed to litigation.

Therefore the Parties agree as follows:

Where an emergency operation arises and/or expedited salvage has to occur, the Response Period will be shortened accordingly, but will not be less than the time period for advertising Operational Plans for those operations.
- 1.9 "Traditional Territory" means the Chawathil asserted traditional territory as shown on bold black on the map attached in Appendix A.

2.0 Purpose

The purposes of this Agreement are to:

- 2.1 Increase the Chawathil's opportunity for participation in the forest sector.
- 2.2 Provide economic benefits to the Chawathil through a forest tenure opportunity and/or the sharing of revenues received by the Government of British Columbia from forest resource development activities.
- 2.3 Address consultation and to provide an interim workable accommodation as set out in this Agreement, with regard to any infringements of Chawathil's Aboriginal Interests that result from Administrative Decisions and/or Operational Decisions relating to forest resource development activities within the Traditional Territory, during the term of this Agreement.
- 2.4 Provide a period of stability to forest resource development activities on Crown lands within the Traditional Territory during the term of this Agreement, while longer-term interests are addressed through other agreements or processes.

3.0 Economic Benefits to Chawathil

During the term of this Agreement, the Government of British Columbia will adopt the consultation processes set out in Sections 4.0 and 5.0 of this Agreement and will provide one or more of the following economic benefits to Chawathil to address consultation and to provide an interim workable accommodation, as set out in this Agreement, in respect of any infringements of Chawathil's Aboriginal Interests that result from Administrative Decisions and/or Operational Decisions relating to forest resource development activities within the Traditional Territory.

3.1 Forest Tenure

- 3.1.1 After the execution of this Agreement by the Parties, and after the Minister has determined that sufficient volume of timber is available for disposition to Chawathil as a result of the implementation of the *Forestry Revitalization Act*, the Minister will invite Chawathil to apply under section 47.3 of the *Forest Act* for a non-replaceable forest licence (the "licence") for up to 13,890 cubic meters annually in the Fraser Timber Supply Area.
- 3.1.2 For greater certainty, the maximum volume that may be available under the licence referred to in section 3.1.1 will be up to 69,450 cubic meters over 5 years.
- 3.1.3 Any invitations to apply for a licence (an "invitation") and any licences entered into as a result of the invitations to apply under this Agreement will be subject to the policies, regulations and statutes of British Columbia as amended from time to time.
- 3.1.4 Any invitations will be subject to a condition that prior to Chawathil making an application for the licence, the Chawathil will contact Ministry of Forests to discuss and provide input to assist the Ministry of Forests in identifying the operating area for the licences. If possible, the operating area will be within the Traditional Territory.
- 3.1.5 Any licences entered into as a result of any invitations to apply under Section 3.1 of this Agreement:
 - 3.1.5.1 will be for a term of no longer than 5 years, as determined by the Minister;
 - 3.1.5.2 will contain other terms and conditions required by law, including the condition that Chawathil must comply with this Agreement;

- 3.1.5.3 will include a term that Chawathil may not dispose of the licences or an interest in the licences except in accordance with Section 54(4) of the *Forest Act*;
 - 3.1.5.4 will include other terms and conditions as may be required by the regional manager; and,
 - 3.1.5.5 will be subject to any allowable annual cut adjustments in the Fraser Timber Supply Area, Tree Farm Licence #26 or Tree Farm Licence #43, that result from the implementation of land use planning decisions.
- 3.1.6 If the term of the licences entered into as a result of an invitation to apply under this Agreement exceeds the term of this Agreement, then that licence may be referenced in and considered to be an economic benefit that addresses consultation and provides an interim workable accommodation in respect of any infringement of Chawathil's Aboriginal Interests, in any subsequent Forest Agreement between Chawathil and the Government of British Columbia, for the purposes described in Section 3.0.
- 3.1.7 Subject to:
- 3.1.7.1 the Government of British Columbia and Chawathil entering into another interim measures agreement providing for an invitation to apply for a licence; and,
 - 3.1.7.2 the Minister determining that there is sufficient volume of timber available for disposition to Chawathil ,
- the Minister may invite Chawathil to apply for a subsequent licence under the *Forest Act* for a term that would commence after the expiry of this Agreement.

3.2 Revenue Sharing

- 3.2.1 During the term of this Agreement, the Government of British Columbia will pay to Chawathil approximately \$231,570 annually for purposes described in Section 3.0.
- 3.2.2 The funding commitment set out in Section 3.2.1 is subject to the availability of annual appropriations for that purpose by the Government of British Columbia.

- 3.2.3 For the purposes of determining amounts for partial years, one-fourth (i.e. $\frac{1}{4}$) of the annual amount will be used for each fiscal quarter or part thereof that the Agreement is in effect. Payments will be made quarterly.
- 3.2.4 Upon signing of this Agreement, the Chawathil will be paid the full revenues for the quarter in which the Agreement is signed with subsequent payments being made at the end of each quarter.
- 3.2.5 Chawathil will maintain financial records and prepare financial statements in accordance with generally accepted accounting principles for each year of this Agreement.
- 3.2.6 Upon request, Chawathil will conduct an audit of the revenue sharing expenditures and will provide a copy of the audit to the Government of British Columbia.

4.0 Consultation and Accommodation Regarding Operational Plans

- 4.1 The Government of British Columbia agrees to consult with Chawathil on Operational Plans that may potentially infringe Chawathil's Aboriginal Interests within the Traditional Territory, except for any economic component of those interests that the Parties agree are addressed by the economic benefits provided for under Section 3.0 of this Agreement.
- 4.2 During the term of this Agreement, and subject to adherence by the Government of British Columbia to the consultation processes set out in Sections 4.0 and 5.0 of this Agreement, Chawathil agrees that the Government of British Columbia has fulfilled its duties to consult and to seek interim workable accommodation with respect to the economic component of potential infringements of Chawathil's Aboriginal Interests in the context of Operational Decisions that the Government of British Columbia will make and any forest resource development activities that may be carried out under an Operational Plan in the Traditional Territory.
- 4.3 Chawathil agrees to fully participate, as set out in this section, in the review of all Operational Plans dealing with forest development within the Traditional Territory provided to them by the Government of British Columbia, and by Licensees.

- 4.4 In reviewing and responding to an Operational Plan submitted to them, Chawathil will, within the Response Period, or such longer period as the Parties may agree, provide the party that supplied the plan to them with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest resource development activities within the Traditional Territory, other than the economic component of those Interests that the Parties agree are addressed by the economic benefits provided for under Section 3.0.
- 4.5 Upon receiving the response from Chawathil as specified in Section 4.4, the Government of British Columbia and/or the Licensee will discuss and attempt to resolve with Chawathil any site specific operational impacts on Chawathil's Aboriginal Interests that may occur as a result of proposed forest resource development activities within the Traditional Territory, other than the economic component of those Aboriginal Interests that the Parties agree are addressed by the economic benefits provided for under Section 3.0.
- 4.6 If no response is received from Chawathil within the Response Period, or such longer period that the Parties may have agreed to, then the Government of British Columbia may conclude that Chawathil does not intend to respond or participate in the consultation process in respect of the Operational Plan and that a decision on the Operational Plan may proceed.
- 4.7 In making a final decision on an Operational Plan, the Government of British Columbia will fully consider information it receives from Chawathil, whether received directly or through a Licensee, and will consider whether concerns identified by Chawathil have been addressed.

5.0 Consultation and Accommodation Respecting Administrative Decisions

- 5.1 The Government of British Columbia will provide to Chawathil on an annual basis a list of all proposed Administrative Decisions anticipated within the year that will have an effect in the Traditional Territory, and either upon the request of Chawathil or when the Government of British Columbia becomes aware of other proposed Administrative Decisions, will provide to Chawathil an updated list.
- 5.2 The Government of British Columbia will meet with Chawathil at mutually agreed times throughout the year to provide an opportunity for Chawathil to make known to representatives of the Government of British Columbia their concerns and comments relative to the effect of the Administrative Decision(s) on their Aboriginal Interests within the Traditional Territory.

- 5.3 The Government of British Columbia will include Chawathil First Nation in public Timber Supply Review processes that will lead to AAC determinations made pursuant to Section 8 of the *Forest Act* for the Fraser Timber Supply Area and for Tree Farm Licence #26 and Tree Farm Licence #43.
- 5.4 Chawathil agrees to fully participate, within the Response Period, or such longer period as the Parties may agree to, in public Timber Supply Review processes by providing all reasonably available information about their Aboriginal Interests within the Traditional Territory potentially affected by AAC determinations to be made pursuant to Section 8 of the *Forest Act*.
- 5.5 The Parties acknowledge that the public Timber Supply Review processes will be consistent with approved land use plans when higher-level objectives have been established.
- 5.6 If after considering the concerns and comments of Chawathil, the statutory decision maker is of the opinion that an Administrative Decision creates a potential infringement of Chawathil's Aboriginal Interests that is not adequately addressed by the economic benefits provided by the Government of British Columbia in Section 3.0, the statutory decision maker will seek to address the concerns and comments in the Administrative Decision or through the process in Section 4.0 of this Agreement.
- 5.7 The Government of British Columbia will provide a response to Chawathil as to how their concerns raised in Section 5.2 have been addressed.
- 5.8 Chawathil agrees that in consideration of the economic benefits provided by the Government of British Columbia in Section 3.0 and adherence to the consultation processes in Sections 4.0 and 5.0 of this Agreement, the Government of British Columbia has fulfilled its duties to consult and to seek an interim workable accommodation with respect to the economic component of potential infringements of Chawathil's Aboriginal Interests resulting from Administrative Decisions made by statutory decision makers from time to time during the term of this Agreement.
- 5.9 Chawathil further agrees that, in consideration of Sections 5.1 to 5.7 of this Agreement, the Government of British Columbia has, for the purposes of this Agreement, developed an adequate consultation and interim workable accommodation process with respect to potential infringements of their Aboriginal Interests resulting from Administrative Decisions made by statutory decision makers from time to time during the term of this Agreement that may go beyond the economic component of Chawathil's Aboriginal Interests.

6.0 Stability for Land and Resource Use

- 6.1 Chawathil will respond immediately to any discussions initiated by the Government of British Columbia and will work co-operatively to assist in resolving any issues that may arise where acts of intentional interference by Chawathil members with provincially authorized activities related to forest resource development activities including timber harvesting or other forestry economic activities occur.

7.0 Dispute Resolution

- 7.1 If a dispute arises between the Government of British Columbia and Chawathil regarding the interpretation of a provision of this Agreement, the Parties or their duly appointed representatives will meet as soon as is practicable to attempt to resolve the dispute.
- 7.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of the Government of British Columbia and Chawathil.
- 7.3 The Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

8.0 Term

- 8.1 This Agreement will take effect on the date on which the last Party has executed it.
- 8.2 This Agreement will terminate on the occurrence of the earliest of any of the following events:
 - 8.2.1 five years from the date this Agreement is executed; or,
 - 8.2.2 the coming into effect of a treaty between the Parties; or,
 - 8.2.3 the mutual agreement of the Parties; or,
 - 8.2.4 upon written notice of withdrawal from this Agreement by either Party, which will take effect 90 days following receipt of the notice by the other Party; or,
 - 8.2.5 the date on which the Government of British Columbia cancels the economic benefit(s) under this Agreement pursuant to Section 9.0.
- 8.3 If this Agreement is terminated in accordance with Section 8.2. then the Minister may terminate the economic benefits under this Agreement.

9.0 Suspension or Cancellation of Economic Benefits by the Minister

- 9.1 Without limiting the actions that may be taken by the Minister of Forests or by the Government of British Columbia, the Minister or a person authorized by the Minister may suspend or cancel revenue sharing payments and the licence(s) entered into as a result of the invitation under this Agreement, if the Minister or a person authorized by the Minister determines that Chawathil is not in compliance with this Agreement.
- 9.2 Prior to taking any action referred to in Section 9.1, the Government of British Columbia will provide notice to Chawathil of any alleged contravention of this Agreement that may lead Chawathil being determined to not be in compliance with this Agreement.
- 9.3 If, during the term of this Agreement, Chawathil challenges or supports a challenge to, an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions/plans, by way of legal proceedings or otherwise, on the basis that the economic benefits set out in Section 3.0, and the consultation processes set out in Sections 4.0 and 5.0 of this Agreement are not adequate or sufficient to:
- 9.3.1 provide adequate consultation, to substantially address Chawathil's concerns and to provide an interim workable accommodation in respect of any potential infringements of Chawathil's Aboriginal Interests with regard to Administrative Decisions relating to forest resource development activities within the Traditional Territory, or
 - 9.3.2 substantially address the economic component of Chawathil's Aboriginal Interests with regard to Operational Decisions relating to forest resource development activities within the Traditional Territory,
- then, without limiting any other remedies that may be available to the Government of British Columbia, the Government of British Columbia may suspend or cancel the economic benefits set out in Section 3.0.
- 9.4 If the Minister or a person authorized by the Minister cancels any economic benefits as a result of this Agreement, then this Agreement may be terminated.

10.0 Renewal of the Agreement

- 10.1 Prior to this Agreement terminating in accordance with Section 8.2, and subject to Section 10.3, if the terms and conditions of this Agreement are being met, the Government of British Columbia and Chawathil will seek the necessary authorities and approvals to renew this Agreement.
- 10.2 Any subsequent forestry agreement between the Government of British Columbia and Chawathil may provide for an opportunity to acquire a licence, and/or other economic benefits, as well as other terms and conditions that are agreed to by the Parties.
- 10.3 The revenue sharing set out in this Agreement reflects an amount that the Government of British Columbia is willing to pay, subject to available appropriations, as an interim measure and Chawathil has agreed to accept as an interim measure for the term of this Agreement.

11.0 Amendment of Agreement

- 11.1 Any alteration or amendment to the terms and conditions of the Agreement must be in writing and duly executed by the Parties.
- 11.2 Either Party may request the participation of the other Party to review the effectiveness of this Agreement annually and consider amendments to this Agreement.

12.0 Entire Agreement

- 12.1 This Agreement and any amendment to it constitute the entire Agreement between the Parties with respect to the subject matter of this Agreement.

- 13.1 Any notice or other communication that is required to be given or that a Party wishes to give to the other Party with respect to this Agreement, will be in writing and will be effective if delivered, sent by registered mail, or transmitted by facsimile to the address of the other Party as in this section of the Agreement.
- 13.2 Any notice or other communications will be deemed to have been given on the date it is actually received, if received before 4:00 p.m. If received after 4:00 p.m., it will be deemed to have been received on the next business day.
