As the birth of your child was not attended by a physician, nurse practitioner or registered midwife, the Vital Statistics Agency requires additional documentation to confirm the details of the birth. Review this checklist and submit all of the documentation listed below at the same time to the following address:

**Vital Statistics Agency  
PO BOX 9657, STN PROV GOVT  
Victoria, BC V8W 9P3**

- Proof of online birth registration or original paper birth registration form
- Proof of mother's residency in British Columbia at the time of this birth
- Proof of pre-natal or post-natal care by a licensed medical practitioner
- Proof of pre-natal or post-natal health unit visits
- Proof of pregnancy (i.e. ultrasound or blood test)
- Medical or baby supply receipts for purchases related to this birth
- Statutory declaration (form VSA607) from the father/parent stating:

- (1) He/She was present (or not present) at the birth
- (2) Mother's name (maiden and current surname)
- (3) Date and place of the child's birth

If the mother of this child has given birth to other children in the Province of BC, please provide copies of their birth certificates.

**Please Note:**

Each birth registration request is reviewed independently based on supporting information provided. **If the parents are unable to provide enough supporting documentation to satisfy the Registrar General that a birth occurred and took place in BC, the mother may be requested to obtain a DNA test proving she is biologically related to the child.**

This information is collected by the Vital Statistics Agency under section 26(c) of the *Freedom of Information and Protection of Privacy Act*, and will be used to fulfill the requirements of the *Vital Statistics Act* for the registration and release of birth information. Should you have any questions about the collection of this personal information, please contact: Manager, Vital Statistics Agency, 250 952-2681, PO Box 9657, Stn Prov Govt, Victoria BC V8W 9P3.
