Dear Ms. Lisa Lapointe:

**SUBJECT: VERDICT AT INQUEST INTO THE DEATH OF:
ROOD, TRAVIS
BCCS CASE FILE #: 2015-0380-0005**

Thank you for your correspondence dated September 27, 2018 in regards to the recommendations resulting from the Travis ROOD inquest.

In response to recommendations 7 and 8 which were directed to "All Emergency Service Agencies (E-Comm 911, Police Fire and Ambulance)", I have reviewed the Burnaby Fire Department (BFD) response to this incident and learned that upon arrival at the scene, BFD was advised by BCAS that their attendance was not required. BFD immediately departed the scene and had no further interaction with any other agencies or individuals related to this incident. I will not be reviewing these recommendations further.

In response to recommendation 9 which was directed to "The Municipality of Burnaby", I will be investigating this recommendation further.

Regards,
