Coroner's inquest announced into death of Randy Lampreau

VICTORIA – The BC Coroners Service (BCCS) will hold an inquest into the death of Randy Dale Lampreau at the Kamloops Law Courts (455 Columbia St., Kamloops) starting Monday, July 22, 2024, at 9:30 am.

The death of Lampreau, 49, was reported to BCCS on March 13, 2019, following events involving the RCMP.

Under Section 18(2) of the Coroners Act, inquests are mandatory for any deaths that occur while a person was detained by or in the custody of a peace officer.

A coroner's inquest is a public inquiry that serves three primary functions:

- to determine the facts related to a death, including the identity of the deceased and how, when, where and by what means the individual came to their death, as well as a classification for the death;
- to make recommendations, where appropriate and supported by evidence, to prevent deaths in similar circumstances; and
- to ensure public confidence that the circumstances surrounding the death of an individual will not be overlooked, concealed or ignored.

Kimberly Isbister, presiding coroner, and a jury will hear evidence from witnesses under oath to determine the facts surrounding this death. The jury will have the opportunity to make recommendations aimed at preventing deaths under similar circumstances. A jury must not make any finding of legal responsibility or express any conclusion of law.

Livestreaming allows the public and media to virtually attend an inquest. The same rules apply as for in-person attendance at an inquest. Reproduction, broadcasting and publishing of inquest proceedings is prohibited, including through social media. Supreme Court accredited media are permitted to record the proceeding solely for the accuracy of their notes. The recording is not to be broadcast in any form. Accredited media members must provide proof to the sheriff and visibly display their accreditation when they are recording or using electronic devices in court. Recording for any other purpose or by anyone without appropriate accreditation is strictly prohibited.
