

Make a Will

Great grandma's china has to go somewhere, doesn't it?

My grand kids

To support my favourite charity

What about my dogs when I'm gone?

Until I'm married with kids – my parents

What about my comics collection?

For my children

The library at my synagogue

For cancer research

My niece will love my antique jewelry collection

Who's going to take care of my cats?

Who gets the photograph albums?

My church is important to me

I want my family to be secure

I want to help my mosque

For animal shelters

It's easier than you think to provide for the people and charities you care about.
