

**SUMMARY OF MINISTERIAL ACCOUNTABILITY FOR OPERATING EXPENSES**

(for the Fiscal Year Ending March 31, 2008)

(\$000)

For each minister (other than the Minister of Small Business and Revenue and Minister Responsible for Deregulation) with responsibility for operating expenses accounted for in the Consolidated Revenue Fund, an estimated amount must be made public with the Main Estimates under section 6(1) of the *Balanced Budget and Ministerial Accountability Act* (the Act). The estimated amount is described in section 5(1) of the Act and represents the operating expenses which are the responsibility of the minister as set out in the Main Estimates for the fiscal year. Section 6(2) of the Act requires that the actual amount of those operating expenses be made public for each minister with the Public Accounts for that fiscal year.

Section 5(2) of the Act applies to the Minister of Small Business and Revenue and Minister Responsible for Deregulation and provides for an amount of revenue to be specified by regulation of Treasury Board. Section 5(3) of the Act applies to ministers of state, for whom expected results are specified by Treasury Board regulation.

The table below shows the ministry and other appropriations for which each minister is responsible. The column entitled "Legislated Additions" shows amounts authorized by enactments which are added to the estimated amounts. The final column entitled "Revised 2007/08 Estimated Amount" shows the sum of these operating expenses and adjustments, which is the revised estimated amount each minister is responsible for under section 5(1) of the Act for the 2007/08 fiscal year.

On March 31, 2008 the *Ministerial Accountability Bases Act, 2007-2008* came into force. This Act included additions to the ministerial accountability operating bases for various ministers as follows: the Minister of Advanced Education and Minister Responsible for Research and Technology's accountability for operating expenses was increased by \$72 million based on spending authority provided to that minister by the *Supply Act, 2007-2008 (Supplementary Estimates)*; the Minister of Environment and Minister Responsible for Water Stewardship and Sustainable Communities' accountability for operating expenses was increased by \$252 million based on spending authority provided to that minister by the *Supply Act, 2007-2008 (Supplementary Estimates)*; the Minister of Finance's accountability for operating expenses was increased by \$450 million based on spending authority provided to that minister by the *Supply Act, 2007-2008 (Supplementary Estimates)*; the Minister of Health's accountability for operating expenses was increased by \$43 million based on spending authority provided to that minister by the *Supply Act, 2007-2008 (Supplementary Estimates)*; the Minister of Tourism, Sport and the Arts' accountability for operating expenses was increased by \$78 million based on spending authority provided to that minister by the *Supply Act, 2007-2008 (Supplementary Estimates)*; the Minister of Forests and Range and Minister Responsible for Housing's accountability for operating expenses was increased by the amount of spending by that minister in 2007-2008 based on section 65 of the *Wildfire Act*; and the Minister of Public Safety and Solicitor General's accountability for operating expenses was increased by the amount of spending by that minister in 2007-2008 based on section 16 of the *Emergency Program Act*.

<sup>1</sup> The Ministers of Forests and Range and Environment each have operating expense accountability for the administration and support services of the Environmental Appeal Board and Forest Appeals Commission; therefore, those funds have been allocated appropriately.

<sup>2</sup> Under Section 5(1.1) of the *Balanced Budget and Ministerial Accountability Act*, the estimated amount for the Minister of Forests and Range does not include estimated expenditures related to the BC Timber Sales Special Account.

<sup>3</sup> This is a provisional amount based on information available at this time and is subject to audit and final accounting with the public accounts.

<sup>4</sup> This amount does not include the \$150 million transfer to the BC150 Cultural Fund provided for in the *Supply Act, 2007-2008 (Supplementary Estimates)*, as the transfer will not impact the net operating expense of the ministry.

<sup>5</sup> Under Section 5(2) of the *Balanced Budget and Ministerial Accountability Act*, the Minister of Small Business and Revenue is accountable for earning actual gross revenue specified by regulation of Treasury Board.
