

SUMMARY OF MINISTERIAL ACCOUNTABILITY FOR OPERATING EXPENSES

(for the Fiscal Year Ending March 31, 2011)

(\$000)

Under Section 3 of the Balanced Budget and Ministerial Accountability Act (BBMAA), each member of the Executive Council has 20 percent of his or her salary held back with restoration of half of the holdback contingent on government achieving its overall fiscal target for the year as per section 4, and restoration of the other half of the holdback contingent on ministers achieving individual goals as set out in section 5. For each minister with responsibility for operating expenses arising from a Voted appropriation as accounted for in the Consolidated Revenue Fund, section 5(1) stipulates actual results for the year must not exceed the estimated amounts for that fiscal year. Section 5(2) applies to the revenue minister as defined by BBMAA, and requires the minister to achieve an amount of revenue to be specified by regulation of Treasury Board. Section 5(3) applies to ministers of state, for whom expected results are specified by Treasury Board regulation.

In the table below, the column entitled "Minister Responsible" lists the ministers with BBMAA section 5(1) assigned responsibilities. The column entitled "Voted Appropriations in 2010/11 Estimates" shows the voted appropriations for which those ministers are responsible. The columns entitled "Voted Appropriation Operating Expenses (net)" and "2010/11 Estimated Amount" show the dollar amounts of operating expenses (net) and estimated amounts allocated to ministers in the 2010/11 Estimates. The column entitled "Order In Council and Other Adjustments" shows transfers of spending authority resulting from orders in council implementing government reorganizations, or, where a vote authorizes spending by more than one minister, reallocation of spending authority by Treasury Board among the ministers identified in the vote. The final two columns show the reallocated appropriations (or portions thereof) for which individual ministers are now responsible and the revised estimated amounts for each minister.

- ¹ The Ministers of Advanced Education, Education, Energy and Mines, Finance, Health, Public Safety and Solicitor General, and Social Development each have operating expense accountability for a portion of Vote 48 - Capital Funding. The individual accountabilities were initially allocated according to the distribution shown in Vote 48, but have been subsequently allocated in accordance with government reorganizations on October 25, 2010 (*Constitution Act* Order in Council 652/2010) and March 14, 2011 (*Constitution Act* Order in Council 062/2011).
- ² In the *2010/11 Estimates*, the Ministers of Environment and Forests, Mines and Lands each had joint operating expense accountability for the administration and support services of the Environmental Appeal Board and Forest Appeals Commission. For BBMAA purposes this accountability initially was allocated according to an estimate of the proportionate use of the resources. During the government reorganization on October 25, 2010 (*Constitution Act* Order in Council 652/2010), this accountability was consolidated under the Attorney General.
- ³ Changes and shared responsibilities are measured in monthly proportions of the annual result, and are included in the applicable ministers' targeted amounts for the period of time they held the responsibility.
- ⁴ Reflects the reallocation of resources in support of the government reorganization on October 25, 2010 as per *Constitution Act* Order in Council 652/2010.
- ⁵ Reflects the reallocation of resources in support of the government reorganization on March 14, 2011 as per *Constitution Act* Order in Council 062/2011.
- ⁶ Reflects reallocation of the appropriation within Vote 48 - Capital Funding by Treasury Board.
- ⁷ Reflects reallocation of responsibility of the 2010 Olympic and Paralympic Winter Games Secretariat to the Minister of Finance. (*Constitution Act* Order in Council 488/2010.)
