**Supplementary Estimates No. 4**  
**Fiscal Year Ending March 31, 2004**

## **Introduction to the Supplementary Estimates No. 4**

Each year the government presents a budget to the Legislative Assembly. The budget includes the Main Estimates which, in conjunction with Supply Acts passed by the Legislature, provide government with authority (voted appropriations) to spend money from the Consolidated Revenue Fund.

If spending from voted appropriations is forecast to exceed that set out in the Main Estimates, Supplementary Estimates and another Supply Bill may be presented to the Legislative Assembly.

Where Supplementary Estimates increase the funding for purposes included in a vote description in the Main Estimates, that vote description is incorporated into the Supplementary Estimates.

Where Supplementary Estimates provide funding for purposes that are not included in the vote descriptions of the Main Estimates, new vote descriptions are provided in the Supplementary Estimates.

These Supplementary Estimates are to provide funding from the Consolidated Revenue Fund in the amount of \$72,000,000 to the Ministry of Community, Aboriginal and Women's Services for operating expenses as set out in the Schedule of Consolidated Revenue Fund Expenses to be Voted (page 5). As announced in the 2004 Budget Speech, this additional \$72,000,000 in spending is to permit the Province to satisfy the 2003/04 fiscal year commitments in relation to the 2010 Winter Games beyond the \$37,500,000 provided for that purpose in the 2003 Budget.

**NOTES**

<sup>1</sup> The Estimated Summary Statement of Operations discloses budgeted amounts for revenues and expenses of the Government Reporting Entity on a functional basis. The statement fully consolidates the taxpayer-supported Crown corporations/agencies and regional authorities with the Consolidated Revenue Fund. This results in revenues and expenses of the Crown corporations/agencies and regional authorities being added to those of the Consolidated Revenue Fund.

<sup>2</sup> This amount corresponds to the new federal funding for health care arising from the First Ministers' Accord on Health Care Renewal reached on February 5, 2003.

**SUMMARY OF MINISTERIAL ACCOUNTABILITY FOR OPERATING EXPENSES**  
(for the Fiscal Year Ending March 31, 2004)  
(\$000)

For each Minister (other than the Minister of Provincial Revenue) with responsibility for operating expenses accounted for in the Consolidated Revenue Fund, an estimated amount must be made public with the Estimates under section 6(1) of the *Balanced Budget and Ministerial Accountability Act*, commencing with the 2002/03 fiscal year. The estimated amount is described in section 5(1) of the *Balanced Budget and Ministerial Accountability Act* and represents the operating expenses which are the responsibility of the minister as set out in the main Estimates for the fiscal year. Section 6(2) of the *Balanced Budget and Ministerial Accountability Act* requires that the actual amount of those operating expenses be made public for each minister with the Public Accounts for that fiscal year.

Section 5(2) of the *Balanced Budget and Ministerial Accountability Act* applies to the Minister of Provincial Revenue and provides for an amount of revenue to be specified by regulation of Treasury Board. Section 5(3) of the *Balanced Budget and Ministerial Accountability Act* applies to ministers of state, for whom expected results are specified by Treasury Board regulation and are itemized in minister of state accountability statements which appear in the corresponding ministry service plans.

The table below shows, for each minister, the ministry and other appropriations for which the minister is responsible. The third column shows the total operating expenses for each of the ministries or other appropriations for the 2003/04 fiscal year. The final column shows the sum of these operating expenses, which is the estimated amount each minister is responsible for under section 5(1) of the *Balanced Budget and Ministerial Accountability Act* for the 2003/04 fiscal year.

Section 52(2) of the *Budget Measures Implementation Act, 2003* provides for revised ministerial accountability rules for the Minister of Health Services and Minister of Health Planning for the 2003-04 fiscal year. According to that section, the estimated amount under section 6(1) of the *Balanced Budget Ministerial and Accountability Act* for each minister is the sum of the amount appropriated for the operating expenses for which the minister is responsible in the main estimates for that fiscal year and any supplementary estimates reflecting the new federal funding for health care arising from the First Ministers' Accord on Health Care Renewal.
