

British Columbia Enterprise Corporation  
Financial Statement  
March 31, 2016

*Management's Responsibility for the Financial Statement*

The financial statement has been prepared by management in accordance with Canadian public sector accounting standards and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statement, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements. A summary of the significant accounting policies are described in Note 2 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements.

The Director is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and exercises these responsibilities.

The external auditors, Auditor General for British Columbia, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statement. The external auditors have full and free access to financial management of British Columbia Enterprise Corporation and meet when required.

On behalf of British Columbia Enterprise Corporation.

## **INDEPENDENT AUDITOR'S REPORT**

*To the Director of British Columbia Enterprise Corporation, and  
To the Minister of Jobs, Tourism and Skills Training and the Minister Responsible for Labour,  
Province of British Columbia*

I have audited the accompanying statement of financial position of British Columbia Enterprise Corporation as at March 31, 2016, and a summary of significant accounting policies and other explanatory information.

### ***Management's Responsibility for the Financial Statement***

Management is responsible for the preparation and fair presentation of the statement of financial position in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

My responsibility is to express an opinion on the statement of financial position based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

In my view, the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the statement of financial position presents fairly, in all material respects, the financial position of British Columbia Enterprise Corporation as at March 31, 2016 in accordance with Canadian public sector accounting standards.

***Emphasis of Matter***

Without modifying my opinion, I draw attention to Note 1 of the financial statements, which describes that the entity has been inactive since September 30, 1989.
