Demo Day -- South Wing Collaboration Space

Demo day Jan.pdf

You are invited to the January GDx Demo Day! Here is a brief overview of each presenter:

Web Rationalization Project

Presenter: Carolyn Mellor

Overview: Review of the Web Rationalization Project which was initiated in November 2013 and completed in May 2017. The review will include the strategic objectives of the project in terms of the objectives, scope, and accomplishments achieved.

Groundwater Wells Project

Presenter: Kevin Ehman

Overview: The complexities of implementing groundwater licensing in BC has presented many challenges for both citizens and staff. This is the first collaboration between the Service Design team and the Behavioural Insights Group on a major client initiative, working with ENV and FLNR. This presentation will focus on lessons learned from merging these two innovation practices in the BCPS and examining how policy can be designed to facilitate better outcomes, not just attempting to fix present-state problems.

Gov.bc.ca UX Research and Opportunities Workshop: Results and Next steps

Presenters: Gillian Ruemke-Douglas, Heidi Leckenby

Description: An high-level overview of how the service design and COS teams worked together to better understand the experience of people who use gov.bc.ca, the results we gleaned and the opportunities identified by our cross-government partners and divisional colleagues.

Cannabis Citizen Engagement

Presenters: Dominic Seiterle

Overview: The citizen engagement on Cannabis received a record number of responses from citizens. Hear about how the Citizen Engagement team approached the analysis of 48,000 responses

Integrated Analytics

Presenters: Dan Pollock and Daniel Yona

Overview: The Government needs to learn from every transaction to continuously improve the service experience for British Columbians. The Data Analytics Team will present their vision for the unified analytics and reporting system they are building
