- b) The Parties acknowledge that Canada's role in a Project is limited to making a financial contribution to British Columbia for that Project and that Canada will have no involvement in the implementation of that Project or its operation. Canada is neither a decision-maker nor an administrator to a Project.

4. COMMITMENTS BY BRITISH COLUMBIA

- a) British Columbia will be responsible for the complete, diligent, and timely implementation of this Agreement, within the costs and deadlines specified in this Agreement and in accordance with the terms and conditions of this Agreement.
- b) Unless British Columbia is the Ultimate Recipient, British Columbia will enter into an Ultimate Recipient Agreement with each Ultimate Recipient and ensure that Ultimate Recipient Agreements are consistent with but are no less favourable to Canada than the relevant provisions of this Agreement. Where British Columbia is an Ultimate Recipient, British Columbia will be subject to all terms and conditions set out in this Agreement.
- c) British Columbia acknowledges that funding that may be received from Canada for these Programs is not intended to replace or displace existing sources of funding for Ultimate Recipient expenditures on Projects.  - i. New motion for funding new projects;
 - ii. Documentation that shows that projects were not identified or were not funded in capital plans;
 - iii. Documentation that shows that projects were brought forward in capital plans from future years; or

- f) British Columbia will inform Canada immediately of any fact or event that will compromise wholly, or in part, a Project.

5. APPROPRIATIONS

- a) Notwithstanding any other provision of this Agreement, funding is dependent on an appropriation of funds by the Parliament of Canada for the Fiscal Year in which the payment is to be made.
- b) Canada may reduce or terminate any payment under this Agreement in response to the reduction of appropriations or departmental funding levels in respect of transfer payments, the Program under which this Agreement was made or otherwise, as evidenced by any appropriation act or the federal Crown's main or supplementary estimates expenditures. Canada will not be liable for any direct, indirect, consequential, exemplary or punitive damages, regardless of the form of action, whether in contract, tort or otherwise, arising from any such reduction or termination of funding.

- c) Canada acknowledges that any contribution to a Project by British Columbia is subject to an appropriation by the British Columbia Legislature.

- b) If the actual amount payable by Canada in respect of any Fiscal Year is less than the estimated amount in section A.1 c) i of Schedule A (Program Details), British Columbia may request that Canada re-allocate the difference between the two amounts to a subsequent Fiscal Year. Subject to Section 5 (Appropriations), Canada agrees to make reasonable efforts to accommodate British Columbia's request. British Columbia acknowledges that requests for re-allocation of Project funding will require appropriation adjustments or federal Crown approvals.
- c) In the event that any requested re-allocation of Project funding is not approved, the amount of Canada's contribution payable in accordance with Section 3 (Commitments by Canada) may be reduced by the amount of the requested re-allocation. If the contribution payable by Canada in accordance with Section 3 (Commitments by Canada) is so reduced, the Parties agree to review the effects of such reduction on the overall implementation of the Project and to adjust the terms and conditions of this Agreement as appropriate.
