

SUMMARY OF REGIONAL DISTRICTS

	Area Square Kilometres ¹	2021 Census including subsequent population changes certified by the Minister		2022 Hospital Purposes Assessment	2022 General Purposes Assessment
		2	3	\$	\$
Capital	4,864.4	410,085	415,451	164,025,760,399	164,186,640,966
Greater Vancouver	4,050.9	2,634,269	2,642,825	1,396,446,906,194	1,400,203,091,727
Balance of Regional Districts	1,030,628.6	1,868,920	1,941,556	600,856,916,863	602,833,298,034
TOTAL:	1,039,543.8	4,913,274	4,999,832	2,161,329,583,456	2,167,223,030,727

¹ Area shown for municipalities in hectares.

The area for regional district electoral areas is shown in square kilometres (km²)

Conversion factors: 1 acre = .4047 hectares

1 square mile = 2.59 square kilometres

1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

NOTE: Table includes information relating to the Stikine Region (unincorporated)

Regional District of Alberni-Clayoquot

¹ Area shown for municipalities in hectares.

The area for regional district electoral areas is shown in square kilometres (km²)

Conversion factors: 1 acre = .4047 hectares

1 square mile = 2.59 square kilometres

1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

⁴ A municipality or electoral area has an assigned number of Directors. In the case of an electoral area, there is only one Director regardless of population size. The number of Directors for a municipality is determined by dividing the number of votes by the number of five (5) with the result raised to the next whole number.

⁵ A municipality or electoral area is entitled to a predetermined number of votes (e.g. for financial decisions). This is known as *voting strength*. Voting strength is determined by dividing the population of the political unit (municipality or electoral area) by the voting unit with the result raised to the next whole number. The voting unit for each regional district is set out in Letters Patent. For ease of reference, the respective voting unit is provided on each regional district page in this publication.

¹ Area shown for municipalities in hectares.

The area for regional district electoral areas is shown in square kilometres (km²)

Conversion factors: 1 acre = .4047 hectares

1 square mile = 2.59 square kilometres

1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

⁴ A municipality or electoral area has an assigned number of Directors. In the case of an electoral area, there is only one Director regardless of population size. The number of Directors for a municipality is determined by dividing the number of votes by the number of five (5) with the result raised to the next whole number.

⁵ A municipality or electoral area is entitled to a predetermined number of votes (e.g. for financial decisions). This is known as *voting strength*. Voting strength is determined by dividing the population of the political unit (municipality or electoral area) by the voting unit with the result raised to the next whole number. The voting unit for each regional district is set out in Letters Patent. For ease of reference, the respective voting unit is provided on each regional district page in this publication.

¹ Area shown for municipalities in hectares.

The area for regional district electoral areas is shown in square kilometres (km²)

Conversion factors: 1 acre = .4047 hectares

1 square mile = 2.59 square kilometres

1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

⁴ A municipality or electoral area has an assigned number of Directors. In the case of an electoral area, there is only one Director regardless of population size. The number of Directors for a municipality is determined by dividing the number of votes by the number of five (5) with the result raised to the next whole number.

⁵ A municipality or electoral area is entitled to a predetermined number of votes (e.g. for financial decisions). This is known as *voting strength*. Voting strength is determined by dividing the population of the political unit (municipality or electoral area) by the voting unit with the result raised to the next whole number. The voting unit for each regional district is set out in Letters Patent. For ease of reference, the respective voting unit is provided on each regional district page in this publication.

Conversion factors: 1 acre = .4047 hectares

1 square mile = 2.59 square kilometres

1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

⁴ A municipality or electoral area has an assigned number of Directors. In the case of an electoral area, there is only one Director regardless of population size. The number of Directors for a municipality is determined by dividing the number of votes by the number of five (5) with the result raised to the next whole number.

⁵ A municipality or electoral area is entitled to a predetermined number of votes (e.g. for financial decisions). This is known as *voting strength*. Voting strength is determined by dividing the population of the political unit (municipality or electoral area) by the voting unit with the result raised to the next whole number. The voting unit for each regional district is set out in Letters Patent. For ease of reference, the respective voting unit is provided on each regional district page in this publication.

⁶ Skeena Queen Charlotte Regional District changed its name to North Coast Regional District in 2016.

¹ Area shown for municipalities in hectares.

The area for regional district electoral areas is shown in square kilometres (km²)

Conversion factors: 1 acre = .4047 hectares
1 square mile = 2.59 square kilometres
1 square kilometre = 100 hectares

Area values reflect local government administrative boundaries as of December 31, 2018 and are inclusive of population changes resulting from boundary amendments to the same date.

² Shows the certified population of the Census subdivision for this area, which is exclusive of people residing on Indian Reserves, as at November 1, 2017. Those Indian Reserves are distinct Census subdivisions.

³ Shows the certified population of the total area, inclusive of people residing on Indian Reserves that are part of the area, as at November 1, 2017. These figures are used to determine the number of Directors at the Regional District Board and their voting strength (the number of votes a municipality or electoral area is entitled to) in accordance with Section 196 of the *Local Government Act*.

⁴ A municipality or electoral area has an assigned number of Directors. In the case of an electoral area, there is only one Director regardless of population size. The number of Directors for a municipality is determined by dividing the number of votes by the number of five (5) with the result raised to the next whole number.

⁵ A municipality or electoral area is entitled to a predetermined number of votes (e.g. for financial decisions). This is known as *voting strength*. Voting strength is determined by dividing the population of the political unit (municipality or electoral area) by the voting unit with the result raised to the next whole number. The voting unit for each regional district is set out in Letters Patent. For ease of reference, the respective voting unit is provided on each regional district page in this publication.

⁶ The Comox Strathcona Regional District (RD) was split into the Comox Valley RD and the Strathcona RD effective February 15, 2008.

⁷ Electoral Areas G and H were amalgamated and renamed as Electoral Area A (Kyuquot / Nootka - Sayward) effective December 8, 2008.

⁸ Electoral Area I was renamed Electoral Area B (Cortes Island) effective December 8, 2008.

⁹ Electoral Area J was renamed Electoral Area C (Discovery Islands - Mainland Inlets) effective December 8, 2008.

⁶ The Sechelt Indian Government District is comprised of 33 separate areas known as Indian Band Lands rather than Indian Reserves. One (1) of the areas is within the Powell River Regional District. The other 32 areas are in the Sunshine Coast Regional District. Sechelt Indian Government District was not digitally mapped for the 2016 Area numbers. The area number is from 2013.
