Online Service Help

Welcome!

Use the left hand navigation bar to start an online application or to select another service option. An overview of the options is provided below. If you have a Business BCeID that has been registered for use with the Gaming Online Service, scroll to the bottom of this page to [Additional Services for Organizations with a BCeID](#).

Apply Online

Select [Apply Online](#) to submit community gaming grant and gaming event licence applications, or to request special approvals (out-of-province travel, capital project, and fair/exhibition). Some types of applications may take a while to complete. Please prepare for your grant or licence application by reviewing the [Pre-Application Information for Gaming Grants](#) or the [Pre-Application Information for Gambling Event Licences](#) before you start your online application.

View Application Status Reports

After you submit an application, you can track where it is in the approval process - select [View Application Status Reports](#).

At the bottom of the next web page, type in the name of your organization and click **SEARCH**.

This determines whether your organization has applied for a B.C. Gaming service (e.g. community grant, licence) in the last 10 years. It helps avoid duplications and minimizes the amount of information you have to submit.

Name: ?

Avoid using punctuation marks (i.e. periods, apostrophes) and words that are often abbreviated (i.e. St for Saint, BC for British Columbia) as these may restrict your search.
