Dear Ms. Mellor:

I am writing further to your letter of July 10, 1991 in which you have confirmed that the B.C. Federation of Dairymen's Association (BCFDA) was aware of decisions made by the British Columbia Milk Board during the period April 1986 to March, 1989 prior to May 6, 1991.

As I advised you in my letter of June 24, 1991, Section 11(1) of the Natural Products Marketing (BC) Act requires that an appeal must be filed within 30 days of receipt of notice of a decision. The British Columbia Marketing Board has no authority to waive this time limit. Therefore, I must advise you that the British Columbia Marketing Board cannot hear this appeal. The appeal deposit will be returned to you under separate cover.

Yours truly,

Donna Iverson/bc.
