Dear Mr. Collins

Re: Supervisory Review of Chicken Operating Agreement Amendments

In accordance with the April 12, 2016 directions by the British Columbia Farm Industry Review Board (FIRB), please find enclosed the written submissions of the Chicken Farmers of Canada as well as a supporting affidavit and supplementary book of documents.

CFC's affidavit supports the enclosed submission, dated April 27, 2016. CFC would be pleased to provide an affidavit supporting CFC's submission of March 18, 2016, if the FIRB considers such evidence helpful in its process, and if other participants are also prepared support their early submissions with affidavit evidence.

CFC also requests a one-week extension for the delivery of its final response to the submissions of the other participants (currently scheduled to be delivered on May 4, 2016) as CFC's legal counsel has an unrelated hearing scheduled for May 3-5, 2016.

Should you have any questions, do not hesitate to contact us or our legal counsel.

Yours sincerely,

Mike Dugate
Executive Director
