**Attention: Daphne Stancil**  
Chair, Supervisory Panel

Dear Mrs. Stancil:

**VEGETABLE SUPERVISORY REVIEW – COMMISSION UPDATE**

---

I am writing to provide you with a status update in relation to directions given in your November 27, 2019 letter issued to myself and Debbie Etsell (BCVMC Chair).

**Commission Working Group Recommendation**

At the December 5, 2019 Commission meeting a strategic planning committee was formed that consists of Debbie Etsell (Chair), Peter Guichon (Vice Chair), Mike Reed (Greenhouse representative), and Blair Lodder (Storage Crop representative)

These committee members and the General Manager will form the working group that is tasked with the Commission mandate to engage with the Supervisory Panel and communicate results of any discussions back to the full Commission for input and consideration.

**Strategic Planning Committee**

The strategic planning committee will be meeting on February 27, 2020 to review the status of the project and establish a workplan for completion of a vision and direction for the regulated vegetable sector.

Thank you.

Yours truly,

Andre Solymosi  
General Manager
