On January 17, 2020 the BC Vegetable Marketing Commission (Commission) submitted its calculation of Prokam's 2020/21 delivery allocation for approval as per the supervisory panel's January 10, 2020 Interim Relief decision (paragraph 59)<sup>1</sup>.

To inform its prior approval decision, the panel asks Prokam to provide a response to the following question **by close of business January 27, 2020**.

Does Prokam accept the Commission January 17, 2020 delivery allocation calculation for 2020/21?

If not, why not and what specifically should be changed.
