Hi James, hope you're well, and thank you for your October 20, 2023 email regarding the BC Chicken Marketing Board's Cost of Production Model.

BCFIRB understands there have been opportunities for industry parties to participate in BCCMB's long-term chicken pricing proposal process, and recommends you contact BCCMB directly. Once BCFIRB has received BCCMB's decision, there will be further opportunities for industry parties to participate in BCFIRB's supervisory review process to share input, before a final BCFIRB decision is made.

It would be premature for BCFIRB to review your submission prior to BCCMB issuing a decision on long-term chicken pricing and providing it to BCFIRB for review and approval.

Sincerely,
Martha
