Dear Craig Evans,

Thank you for your March 7, 2024 letter.

The Panel's March 4, 2024 [letter](#) to the Chicken Board establishes a submission schedule which includes an opportunity for the PPPABC and other participants to respond to the Chicken Board's submission due March 11, 2024, to the Panel.

Given your March 7, 2024 letter does not fall within the established process, it will not be shared with the Panel.

The PPPABC is free to provide its submissions through the established process.

Sincerely,
Martha Anslow
Executive Director
BCFIRB
