Chair
BC Broiler Hatching Egg Commission

Dear Mr. Vanderspek:

RE: CHICKEN SECTOR PRICING SUPERVISORY REVIEW

Thank you for your letter of May 16, 2024, seeking release of the British Columbia Broiler Hatching Egg Commission (Commission) from BCFIRB's Chicken Sector Pricing Supervisory Review. The request notes that the Commission has completed the implementation phase of the Hatching Egg Cost of Production (COP).

On June 3, 2022, the BCFIRB Supervisory Review Panel (Panel) approved the Commission's March 4, 2002 [Final Pricing Recommendation](#) (Recommendation) submitted to the Panel, and directed, through the Panel's [Decision](#), that the Commission follow the graduated process for implementation established in the Recommendation.

On April 5, 2024, the Panel received from the Commission the [Final Post Approval Implementation Plan Update](#) (Update) which indicated the cost of production is now fully phased-in.

The Panel acknowledges receipt of the Update and confirms the Commission has met all reporting requirements as directed by the Panel in its Decision.

Please reach out to Martha Anslow, BCFIRB Executive Director by email at Martha.Anslow@gov.bc.ca should you have any questions.

Yours truly,
