Dear Sirs/Mesdames:

**Re: BC Farm Industry Review Board: Notice of Supervisory  
Review - Vegetable Marketing Commission – Allegations of  
Bad Faith and Unlawful Activity**

I write further to Ms. Hunter's letter of August 18, 2021. BC Fresh has the resources and ability and, as an interim measure, is willing to act as agency for the marketing of Prokam's fall 2021 harvest of the subject potatoes in accordance with the BC Vegetable Marketing Commission's General Orders, if that would be acceptable to FIRB.

BC Fresh approaches this suggested interim measure with a spirit of goodwill and cooperation in the interest of orderly marketing and it is hoped Prokam will do the same. It may be that this matter is appropriate for consideration by the Panel adjudicating Appeal N1908. I would be very grateful if you would forward this letter to the Presiding Member of the Panel of Appeal N1908 as well as Chair Donkers.

If this is acceptable to FIRB or further information may be of assistance, I look forward to hearing from you. If Ms. Hunter wishes to discuss this matter with me further, I would be happy to talk to her at anytime.

Yours truly,

FARRIS LLP
