Dear Ms. Gorsuch:

Re: Supervisory Review into Allegations of Bad Faith and Unlawful Activity

By letter dated September 10, 2021, the BCFIRB asked that the parties provide their position and submissions with respect to a proposed adjournment of the oral hearing to January and/or February, 2022.

Given the status of the investigation to date (as described by hearing counsel in his letter dated September 10, 2021), and having regard to the seriousness of the allegations and the need to ensure procedural fairness for all participants, the Commission fully supports an adjournment of the oral hearing to January and/or February, 2022. The Commission can be available throughout January and February, 2022.

Yours truly,

AFFLECK HRABINSKY BURGOYNE LLP
