Dear Sirs/Mesdames:

**Re: BC Farm Industry Review Board: Notice of Supervisory  
Review - Vegetable Marketing Commission – Allegations of  
Bad Faith and Unlawful Activity**

Further to your letter dated September 10, 2021 asking that the parties provide the BCFIRB their position on the proposed adjournment and availability for a hearing in January and February 2022, I can advise that BC Fresh supports the adjournment of the oral hearing and I am available throughout February, 2022 but, at present, am not available in January, 2022.

Yours truly,

FARRIS LLP
