Dear Sirs/Madams:

Re: *BC Farm Industry Review Board: Notice of Supervisory Review – Vegetable Marketing Commission, Allegations of Bad Faith and Unlawful Conduct*

We write in reply to the BCFIRB's letter dated September 10, 2021.

The Commission members consent to the adjournment of the oral hearing as proposed. As the Commission members previously submitted, the allegations advanced warrant a detailed preliminary investigation. Hearing counsel's correspondence of September 10, 2021 confirms that process is underway. The Commission members appreciate and accept hearing counsel's advice that it requires additional time to conclude those steps.

With respect to the rescheduled hearing, counsel for the Commission members are available on the following dates:

- January 31-February 4, 2022;
- February 7-11, 2022; and
- February 14-18, 2022.

Yours truly,

McEwan Partners
