Dear Madam:

Re: British Columbia Farm Industry Review Board ("**BCFIRB**") Supervisory Review  
Adjournment of Hearing

Further to the above matter and correspondence from BCFIRB dated September 10, 2021, we write on behalf of our client, MPL British Columbia Distributors Inc. ("**MPL**").

As the parties are aware, MPL is not participating in the supervisory review. However, in the event that participation at the oral hearing by MPL is compelled, and on the assumption that an adjournment of the hearing will not prejudice MPL's outstanding agency license application, MPL is agreeable to an adjournment of the current hearing dates and counsel is available to attend for a hearing during the week of January 24. February 2022 is presently clear.

Yours truly,

Dentons Canada LLP
