**Re: Supervisory Review re BC Vegetable Marketing Commission**

---

We write in response to the July 29, 2022 letter from Mr. Hira, QC in relation to Bajwa Farms Ltd. ("Bajwa Farms").

There is no basis for any further process arising from Bajwa Farms' participation in the supervisory review. No allegations were made against the complainant participants in the supervisory review and certainly none were made against Bajwa Farms. We note that Hearing Counsel specifically excluded Bajwa Farms from the further process suggested in his July 27, 2022 letter. There is nothing in the paragraphs from Chair Donkers' findings quoted in Mr. Hira's letter to support even a suggestion of bad faith on the part of Bajwa Farms and accordingly no basis to request that Hearing Counsel to engage in a consideration of whether Bajwa Farms acted in bad faith.

Sincerely,
