**Re: Allegations Supervisory Review - Continuation of Hearing**

---

We write further to Hearing Counsel's letter dated March 10, 2022 and, specifically, the proposal to set time limits for cross examinations.

We are concerned at having time limits set for cross examinations midway through the hearing. If there were to be time limits on cross examinations, procedural fairness requires that such matters be addressed at the beginning of the hearing.

Having regard to the time we required for our cross examination of Mr. Solymosi, we are concerned that the 45 minutes suggested for Bajwa Farms Ltd.'s cross examination of Mr. Driediger will not be sufficient.

Sincerely,

**DLA Piper (Canada) LLP**
