Dear Sirs and Mesdames:

Re: Supervisory Review Phase II Investigation

I write this letter further to BCFIRB's June 12, 2023 ruling. By virtue of that ruling it was contemplated that as Hearing Counsel, I would complete the investigation for Phase II by June 30, 2023. However, as a result of the difficulty in coordinating schedules, it has not been possible to meet with Prokam so far and a meeting is being contemplated for around mid-July.

Therefore, I request an extension to July 31, 2023 to complete my investigation.

Yours very truly,
Mitha Law Group
