Dear Sirs and Mesdames:

**Re: Phase II of the Supervisory Review**

I write this letter further to my letter dated March 6, 2023. I have heard from some of the parties. No one has expressed any concerns with, or objections to the process or dates outlined in my letter dated March 6, 2023.

As a result, I recommend proceeding with Phase II in accordance with the process and timing as set out in my March 6, 2023 letter.

Yours very truly,  
Mitha Law Group
