Hello Ms. Gorsuch,

Can you please provide this email to Chair Donkers. Can you also please provide the previous submission made on scheduling to Chair Donkers. Based on my initial suggestion and subsequent submissions from various counsel, I recommend the submission schedule and schedule for the oral hearing set out below. Some counsel have requested the opportunity to make reply oral submissions. I would suggest that if any party considers that reply oral submissions are necessary, they make application at the time and after hearing from the parties, Chair Donkers can determine whether reply oral submissions should be permitted.

Based on the above and submissions made by the various counsel, I seek a ruling from Chair Donkers on the schedule of submissions and schedule for the oral hearing. As there was no dispute on the rules I proposed for the length and format of written submissions, I request that those also form part of Chair Donker's order.
