BC Vegetable Marketing Commission Bulletin

To Producers, agencies and other stakeholders:

REVIEW OF REGULATED VEGETABLE MARKETING ON VANCOUVER ISLAND

The BC Vegetable Marketing Commission and the BC Farm Industry Review Board (BCFIRB) have agreed that there should be a focused review, assessment and decision regarding the future of regulated vegetable marketing on Vancouver Island. This process will be led by the BCVMC with guidance from the BCFIRB.

The goal of this process is to look at all options to achieve better outcomes for the future of the Vancouver Island regulated vegetable industry and the public it serves.

Both Vancouver Island and non-Island stakeholders will be advised in due course of further developments in the supervisory review process and opportunities for participation.
