Dear Mr. Benoit,

BRITISH COLUMBIA TURKEY MARKETING BOARD ELECTION RULES AND PROCEDURES APPROVAL

The BC Turkey Marketing Board seeks approval under section 18(4) of the *British Columbia Turkey Marketing Scheme* to amend its elections rules and procedures following two minor changes. The requested amendments have been incorporated in and approval is now requested of the attached revised British Columbia Turkey Marketing Board Election Rules and Procedures.

I have been appointed by the Chair of the BC Farm Industry Review Board (BCFIRB) as a one person panel to consider and, if appropriate, approve the revised election rules and procedures.

The Turkey Board is reminded of their undertaking to conduct a full review of the rules and procedures in 2013 and to advise BCFIRB as to the outcome of that review and submit any proposed changes to the election rules and procedures to BCFIRB for approval.

I hereby approve the attached February 6, 2013 British Columbia Turkey Marketing Board Election and Appointment Rules and Procedures.
