2020 Canadian Francophone Games – Volunteer Program Planning	The 2020 Canadian Francophone Games, scheduled for July 14 – 18, 2020, will increase the visibility of Canada Francophone communities. The event requires support from approximately 1,000 volunteers and a strong recruitment program was launched to give Francophones and Francophiles the opportunity to speak French while being involved in a national French cultural event.	City of Victoria, District of Oak Bay; Société du Comité d'Organisation des Jeux de la francophonie canadienne de 2020 à Victoria, Société francophone de Victoria

<b>Justice</b>		
Public Legal Information Documents	Through this initiative, the public has access to French justice-related material.	Legal Services Society
Legislative Assembly French Tours and Materials	French guided tours are available throughout the year. In addition, translation of tour materials and self-guided booklets allows French-speaking British Columbians and visitors to learn about parliamentary business in a democratic government.	British Columbia Legislative Assembly

<b>Arts and Culture</b>		
Victoria Film Festival	An annual cultural event, Victoria Film Festival and Free-B Film Festival, offers access to a variety of films in French and opportunities for interactions and discussions in French.	Ministry of Tourism, Arts and Culture; B.C. Arts Council; City of Victoria; Victoria Independent Film and Video Festival.
Francophonie Day	Every year, the B.C. Government celebrates Francophonie Day. This year's theme was " Canadian Francophone Games: Celebrating our francophone youth and their excellence in sports, leadership and the arts". On this occasion, the government paid tribute to the Canadian Francophonie Games Organizing Committee.	Partnership with Government Communications and Public Engagement
B.C. Francophonie Games	This sports and cultural event brings together 150 Francophone youth aged 14 to 18 from across the province. In addition to fostering their pride in Francophone culture, the Games enables the youth to develop a healthy lifestyle and leadership skills.	Ministry of Community, Sport and Cultural Development; B.C. Gaming; Conseil jeunesse francophone de la Colombie-Britannique (CJFCB)
British Columbia Francophone Youth Parliament	The British Columbia Francophone Youth Parliament is a parliamentary simulation in which youth delegates debate social issues in French while learning about the provincial legislative process.	Ministry of Community, Sport and Cultural Development; Conseil Jeunesse Francophone de la Colombie-Britannique.
Canada Day Celebration	Victoria's Canada Day celebration is Vancouver Island's largest event. The event proudly showcases French-speaking Canadians including French artists on the main stage during evening performances. Victoria's Canada Day is a free and family friendly event.	City of Victoria; La Société Francophone de Victoria

Maple Sugar Festival	Inspired by traditional sugar shacks in Eastern Canada, a three-day festival that includes musical and dance performances as well as a market with traditional French-Canadian fare.	Partnership with B.C. Gaming and the Association des francophones de Nanaimo.
At the Heart of Communities	Academic initiative on the influence and impact of French literature through a variety of activities in French: film screenings, presentations, workshops with Francophone guest speakers, writers and artists.	Ministry of Advanced Education, Skills and Training, and Simon Fraser University.
<b>Communications</b>		
French Consultation on the Provincial Budget and Budget Highlights Materials	French translated materials allow French-speaking citizens to participate in B.C.'s public consultation and meetings across British Columbia.	Partnership with the Ministry of Finance and Government Communications and Public Engagement
My Health My Community Survey: Better Understand the Health of Francophones	<p>A web-based survey was launched to ensure that Francophone adults are adequately represented in a new population health survey. The survey instrument broadly covers six domains: socio-demographic, health status, lifestyle, healthcare access, built environment, community resiliency, quality of life and mental wellness, climate change resiliency, substance use, and affordability.</p> <p>Collected information will be used by governments and healthcare decision-makers to develop health programs and policies.</p>	Vancouver Coastal Health Authority (VCH) and Fraser Health and RésoSanté  opinion
