Dear :

This is to inform you that you have been denied the \$500 monthly exemption for employment earnings for families with a child who has a medical condition that prevents a parent from working for more than 30 hours each week. However, your family unit is eligible for the \$400 monthly earnings exemption that will be applied to employment income declared on your *Monthly Report* form.

The decision was made under Schedule B Section 3(6)(c) of the Employment and Assistance Regulation (attached) and you were denied for the reasons described below.

If you disagree with this decision, you can ask the ministry to reconsider it. You have 20 business days from the day you receive this letter to submit a completed *Request for Reconsideration* form. You can get this form, and all information that we considered to make this decision, from your Employment and Assistance office or by phoning the ministry. We have enclosed the *Reconsideration and Appeals* brochure to give you more information about the reconsideration process.

If you have any questions, please contact the ministry at 1-866-866-0800.

Sincerely,

HR3104 (17/12/29)
