Dear :

Your Employment Plan has now been in effect nearly six months. At this point, you must contact the Employment Program of BC (EPBC) Service Provider noted in your plan. EPBC will assess you for case management in their program. This was agreed to when you first signed your plan. If you have moved to a new area since your Plan was completed, please contact the local EPBC contractor serving your new area. To find the EPBC Contractor in your new area, call 1-877-952-6914.

Attached is a copy of your Plan. The commitments you agreed to in this plan now fall under the section '**Employment Program of BC(EPBC)**'. Specifically:

On or before , if you still need income assistance, you must visit your local WorkBC Employment Service Centre.

Please ensure you read this section of your Plan completely.

If you are not accepted into case management, you must continue to follow the section of your plan titled 'Activity Towards Independence'.

If you have any questions, please contact the ministry at .

Sincerely,

Ministry Worker
