Dear :

We wish to inform you about important changes to your income assistance case file.

Your employment income exceeds your eligibility for income assistance. Due to your income, your income assistance case has been changed to a Transitional Health Services (THS) case until .

Your THS coverage provides you and your family with access to specific health supplements, including continuation of your medical coverage through the Medical Services Plan (MSP), PharmaCare coverage, dental and optical coverage.

THS coverage is provided to assist you and your family in the transition from income assistance to employment. You will continue to be eligible for THS for 12 months, as long as you continue to live in British Columbia.

Prior to the end of your 12 months of THS coverage, you will need to contact MSP and PharmaCare to register your family for ongoing medical and prescription coverage. Information on how to apply can be found at: www2.gov.bc.ca/gov/content/health/health-drug-coverage.

If you believe an error has been made and you should not be transitioned onto THS, you can ask the ministry to reconsider this decision. You have 20 business days from the date you receive this letter to submit a completed Request for Reconsideration form. You can get this form, and all information that we considered to make this decision, by contacting the ministry.

If you have any other questions, please contact the ministry at 1-866-866-0800.

Sincerely,

HR3618 (17/12/29)
