

Think about...

The BC Public Service's 2016 corporate plan, **Where Ideas Work**

“...we need to more fully embrace a mindset of creativity, experimentation, taking thoughtful risks, trying new concepts and learning from the results.”

Kim Henderson

Deputy Minister to the Premier,
Cabinet Secretary and
Head of the BC Public Service

Think about...

The OCIO Strategy 2016

[Link](#)

the **OCIO** | *using the right approach*

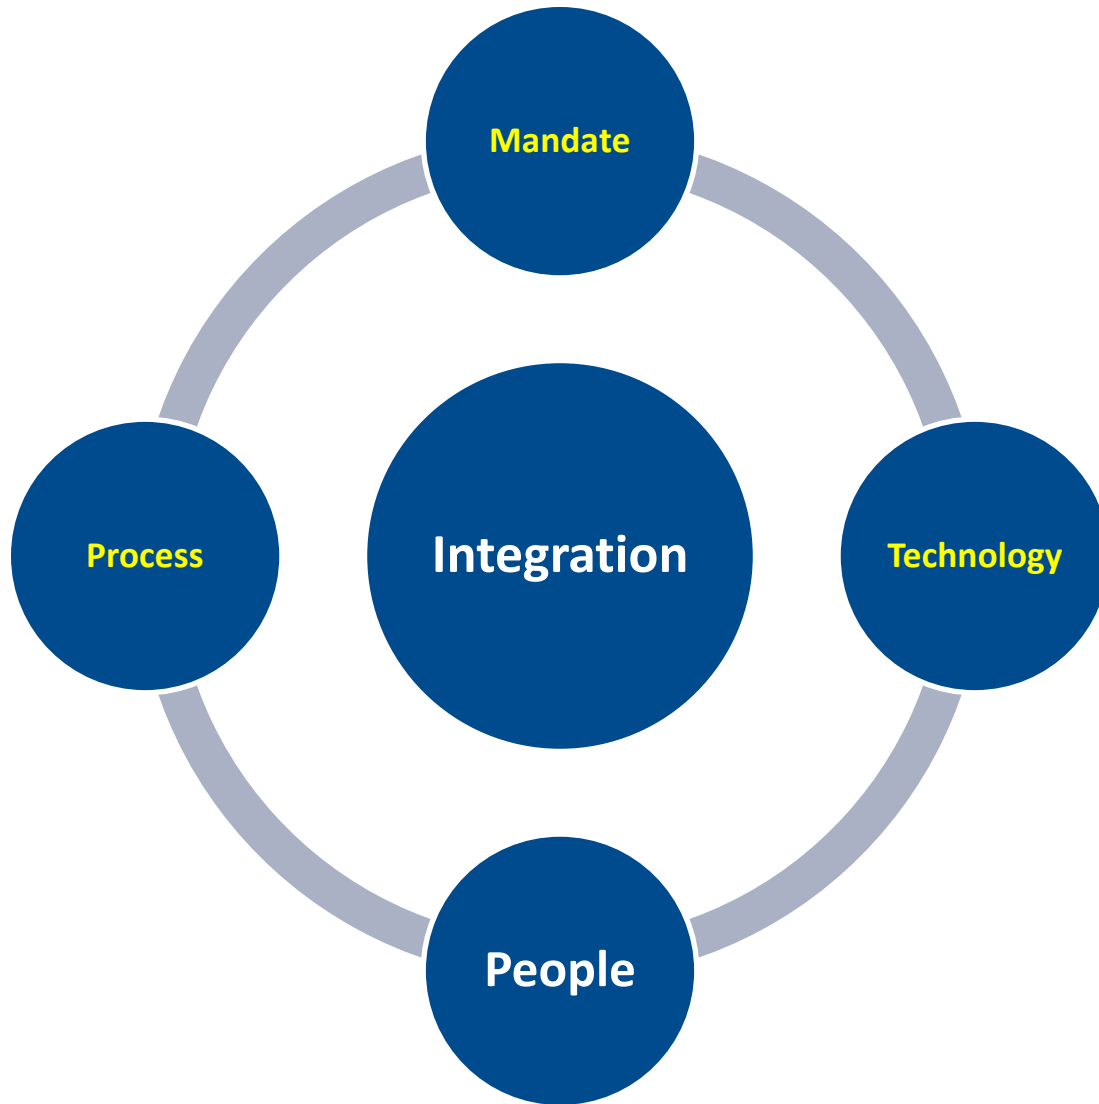

CONTINUE OPERATIONAL EXCELLENCE	AND	BECOME MORE AGILE
Manage corporate systems, ensure reliability	Objective	Speed, innovation, agility
Performance	Focus	User Experience
Waterfall	Approach	Agile, Kanban, Lean Startup
Plan-driven, approval-based	Governance	Learning-driven, continuous improvement

What's in it for me?

- Demonstrates **Accountability & Responsibility** (communication).
- **Be creative/innovative** (doing things differently, challenge the process).
- **Better planning** for resources, budget & tasks (using strategic and operational plans).
- **Get help** (funding, resources and/or mandate).

Think of Risk management as ...Capability & Journey

What can you do to help us be successful?

1. People

- Everyone is a leader: Start with yourself.
- Understand, use and promote risk mindset

2. Team work

- Risk is a group effort/collaborative exercise.

3. Partnership

- Work together within the ministry, within government and with our strategic partners/vendors to manage risk

Thank You...it takes a village to organize a security day!

- **Speakers**
- **Sponsors** including vendors and government sponsors
- **Organizers**
- **In-Person & virtual audience**
