

Overall rating: Critical

This notification is intended as an informational bulletin for technical audiences.

Summary

The Vulnerability and Risk Management (VRM) Team is aware that Android published a security bulletin to address vulnerabilities affecting Android devices.

Technical Details

The Android Security Bulletin contains details of security vulnerabilities affecting Android devices. Security patch levels of 2024-02-05 or later address all of these issues. To learn how to check a device's security patch level, see [Check and update your Android version](#)

These vulnerabilities are rated as an overall **Critical** Severity.

Recommended Action

- Investigate how your area of responsibility is affected.
- Notify business owner(s) as required.
- *Ensure mitigation is performed at your next change window.*

Please notify [VRM](#) with any questions or concerns you may have.
