

## Overall Rating: High

**This is a technical bulletin intended for technical audiences.**

### Summary

The Vulnerability and Risk Management (VRM) Team has been made aware Android published a security bulletin to address vulnerabilities affecting Android devices.

### Technical Details

The Android Security Bulletin contains details of security vulnerabilities affecting Android devices. Security patch levels of 2024-09-05 or later address all of these issues. To learn how to check a device's security patch level, see [Check and update your Android version](#)

This vulnerability is rated as a **HIGH** risk. A software update exists to address this risk.

### Action Required

- Locate the device or application and investigate.
- Notify business owner(s).
- Perform mitigating actions, as required.

Please notify [VRM](#) with any questions or concerns you may have at [vulnerabilityandriskmanagement@gov.bc.ca](mailto:vulnerabilityandriskmanagement@gov.bc.ca)
