

APPENDIX B LIST OF ORCS EXAMPLES

The examples provided throughout the *Standard ORCS Kit* are based on the ORCS listed below. Many of these examples have been abbreviated, or adapted to reflect new standards. These and other ORCS are excellent reference materials for ORCS developers to review when developing new ORCS.

Corporate Information Management Branch would like to thank the hardworking and creative ORCS developers whose ORCS furnished the examples so essential to this manual.

CODE	ORCS TITLE
