Smithers Junior Softball Society (SJS) is a non-profit, 100% volunteer organization, which is committed to the best interests of the children and youth. Together with our volunteers, we organize and deliver the child/youth softball league based in Smithers. Our goal is to provide a safe, inclusive and friendly environment in which boys and girls can build self-esteem while learning the fundamentals to excel at Softball. We share Softball BC's philosophy regarding long-term player development and promote a vision of fair-play and personal development through play, coaching and umpiring opportunities.
