Campaign 2016 Highlights

PECSF, also called the Community Fund, is the Province of British Columbia's unique, employee-driven workplace giving program. Started by caring, community-minded public servants in 1965, it has raised over \$45 million for charities throughout the province.

PECSF is governed by a [board of directors](#).

It is the only program that can canvass BC Public Service employees.

During the fall awareness campaign and pledge drive, one thousand public servant volunteers coordinate fun workplace events to encourage employees to donate to their favourite charity.

Awards

PECSF received an Honourable Mention in the 2017 PR Daily Corporate Social Responsibility Awards and was a winner at the Association of Fundraising Professionals' National Philanthropy Day Awards. Learn more about why PECSF is being recognized.
