## Hope Air

## Medical Travel Program

Hope Air provides free commercial or private flights and accommodation for patients in financial need who must access medical care far from home, and their parents or guardians, if applicable. This includes private flights with pilots who volunteer their time and aircraft to fly patients in the Cariboo to appointments.

## Junior Achievement BC

## Financial Literacy for Cariboo Youth

Through partnerships with educators and volunteers from local businesses, JABC offers interactive, hands-on learning experiences in financial literacy, entrepreneurship, and work readiness to students in Grades 4 to 12 in communities across the Cariboo region.
