<ul style="list-style-type: none"> During an approved leave of absence without pay of ONE CALENDAR MONTH OR MORE for leaves included in Part 6 of the Employment Standards Act, an employee may choose to maintain coverage for any of the Optional Life Insurance plans for which they had coverage prior to the leave. Application for continuation of coverage during Maternity and Parental Leaves are only required when the employee waives, is not eligible or has deferred top-up allowance or does not receive top-up allowance for a calendar month. If you do not maintain any of the Optional Life Insurance plans you had prior to your leave, they will be considered waived and you will need to re-qualify (e.g. provide evidence of insurability). Employees are responsible for the full premium cost for any benefits they choose to continue. Full payment or monthly post-dated cheques must be received within 30 days of commencement of the leave in order to process this application. If payment is not received within 30 days of commencement of leave, there is no further option to continue coverage. DO NOT SEND PAYMENT UNTIL BILLED.
