### General Criteria - All Employee Groups:

- Membership in a professional association must be a condition of employment (not a preference).
- Employees must have completed their probationary period.
- Employees receive full reimbursement of fees if they are required to maintain membership in one of the professional associations listed above.
- Employees receive reimbursement to a maximum of \$200 annually if they are required to maintain professional membership in an association other than one of those listed above.
- **Please note** that some associations charge **GST** in addition to membership fees/dues. The GST portion of reimbursed fees paid must be reported separately in the appropriate spaces on the Reimbursement of Incidental Expenses Form.

### Specific Criteria by Employee Group (see applicable Agreements/Terms and Conditions for specific language):

**BCGEU:** Employees must be regular and have completed their probationary period. Employees receive full reimbursement capped at the **2021** fee rate.

**PEA:** Employees must be regular and have completed their probationary period. Employees receive full reimbursement capped at the **2021** fee rate.

**Nurses:** Employees must be regular, full-time and have completed their initial probation period. Reimbursement will be pro-rated for regular, part-time employees. **The fee rate is effective April 1, 2020.** *\*Note: Nurses do not yet have an updated ratified collective agreement.*

**Excluded Employees:** Excluded employees receive professional dues reimbursement as per their bargaining unit counterparts. Accounting Managers who require their CA, CMA or CGA will receive full reimbursement (no cap applied).
